

What continent or ocean is labeled 1 on the map below?

South America

What continent or ocean is labeled 2 on the map below?

Asia

What continent or ocean is labeled 3 on the map below?

Pacific Ocean

What continent or ocean is labeled 4 on the map below?

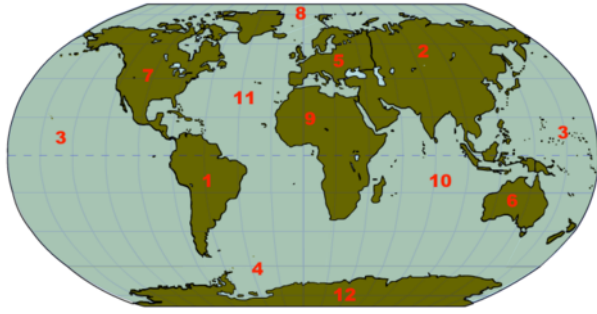

Southern Ocean

What continent or ocean is labeled 5 on the map below?

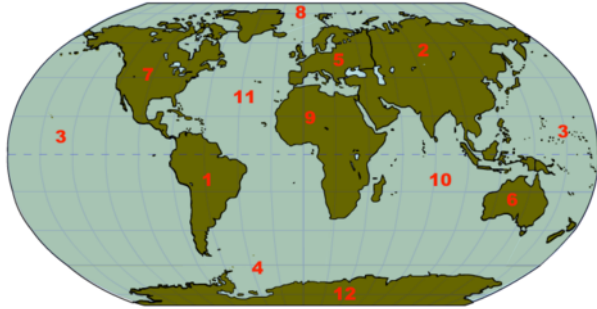

Europe

What continent or ocean is labeled 6 on the map below?

Australia

What continent or ocean is labeled 7 on the map below?

North America

What continent or ocean is labeled 8 on the map below?

Arctic Ocean

What continent or ocean is labeled 9 on the map below?

Africa

What continent or ocean is labeled 10 on the map below?

Indian Ocean

What continent or ocean is labeled 11 on the map below?

Atlantic Ocean

What continent or ocean is labeled 12 on the map below?

Antarctica

What country is labeled 1 on the map below?

Morocco

What country is labeled 2 on the map below?

Egypt

What country is labeled 3 on the map below?

Congo

What country is labeled 4 on the map below?

Madagascar

What country is labeled 5 on the map below?

South Africa

What country is labeled 1 on the map below?

Russia

What country is labeled 2 on the map below?

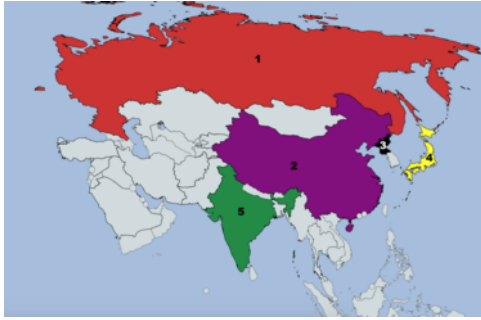

Japan

What country is labeled 3 on the map below?

North Korea

What country is labeled 4 on the map below?

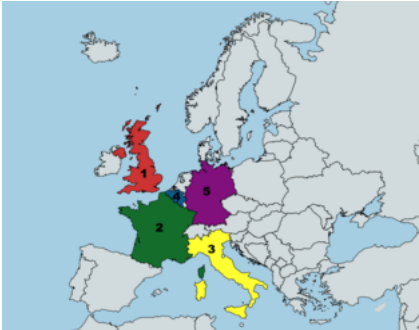

Japan

What country is labeled 5 on the map below?

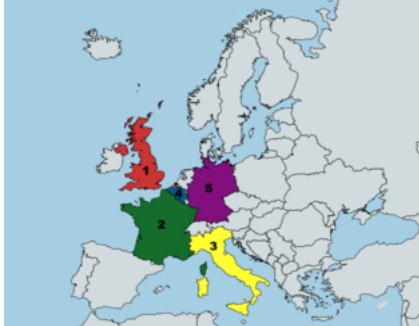

India

What country is labeled 1 on the map below?

Great Britain or the
United Kingdom

What country is labeled 2 on the map below?

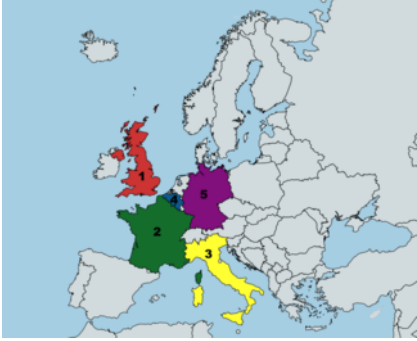

France

What country is labeled 3 on the map below?

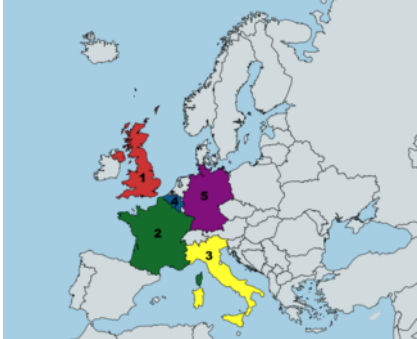

Italy

What country is labeled 4 on the map below?

Belgium

What country is labeled 5 on the map below?

Germany

What country is labeled 1 on the map below?

Colombia

What country is labeled 2 on the map below?

Peru

What country is labeled 3 on the map below?

Brazil

What country is labeled 4 on the map below?

Argentina

What country is labeled 1 on the map below?

Canada

What country is labeled 2 on the map below?

United States

What country is labeled 3 on the map below?

Mexico
